

Stoke St Mary Parish Council

Minutes of a meeting of Stoke St Mary Annual Parish Council held on Thursday, 21st May 2026, at Stoke St Mary Village Hall, at 7.30pm

26.1 Election of Chair

Colin Fisher was re-elected as Chair

26.2 Election of Vice Chair

Pat Fallance was re-elected as Vice Chair.

Public Session

There were 15 Members of Public (MoPs) present.

Following concerns raised by some MoPs about the former Crown Estate land, the Parish Council gave a short presentation to explain what is known, and to outline what lies ahead in terms of the process/the Somerset Local Plan. (A copy of the presentation has since been published on the Parish Council website).

One MoP said he had some questions about the administration of the Village Hall. The Chair pointed out that, although the Parish Council had the right to appoint members of the Village Hall committee, the committee is independent of the Parish Council. The Chair asked the MoP to submit his questions direct to the two members of the Parish Council who are also members of the Village Hall committee (Cllr Dan Fallance and Cllr Tania Watt), and the MoP will do this in writing.

One MoP explained he was the leaseholder of Greenway Farm barns and wished to explain the new activities taking place in the barns, following a complaint about change of use, which was made at the Annual Parish Council meeting on 9th April 2026. The Chair thanked the MoP but explained that Greenway Farm was outside the boundary of Stoke St Mary Parish, and therefore the PC had no jurisdiction over the change of use, and that the matter was in the hands of Cllr Sarah Wakefield (Somerset Council).

Six MoPs left the meeting

26.14 Taunton Garden Village/Taylor Wimpey – this matter had largely been covered under “public session”. One MoP expressed concern about the speculated scheme on a number of levels, lack of infrastructure, impact on ancient woodland, sheer intensity of housing, and Cllr Graeme Watt added his concerns about flooding. Cllr Pow emphasised the need to wait for actual evidence of the plans, at which point the Parish Council would take a balanced approach to the issue and report back.

Traffic – Haydon SID working accurately. Chair reported Somerset & Avon Community Trust being wound up so grant is probably no longer available for another SID. In talks with Neroche PC and Taunton Racecourse regarding SID on Corfe Road

Play Area – Cllr Pat Fallance experiencing no issues, area is generally kept tidy. It was agreed to relocate picnic table for reasons of hygiene (currently attracting bird mess from tree above).

Village Hall – bookings slowing down. There was a good pop-up pub night a few weeks ago, though debris found in the play area where some participants had been sitting

Taunton Garden Town Advisory Board (TG TAB) – Cllr Pow attended recent meeting (24th April). A progress report was given on the Taunton Garden Town “Masterplan.” Chair of the Chamber of Commerce noted that concerning there seemed to be little join up between the Garden Town Plan and the development of the Taunton Town Council “Neighbourhood Plan.”

Cllr Pow raised issue of Taylor Wimpey/“Taunton Garden Village” project and asked TG TAB to distance themselves from it, so that there was no potential conflict of interest in terms of council staff in particular as well as a potential reputational risk given that the Taylor Wimpey “project” appears to have availed themselves of the ‘Garden’ terminology and were appearing to be riding on the back of the Taunton Garden Town values. SC have made representations to Taylor Wimpey in terms of the impression the TW brochure gives of SC support.

A presentation was given by SC Head of Transport which stressed the focus is on a move away from the car, to connected places. The concept of “quiet lanes” was also highlighted.

26.18 Planning –

Application no 37/36/0002 – conversion of garage into ancillary accommodation for use as annexe at Woodside, Stoke Road, Stoke St Mary. This application has been approved.

Cllr Hossell pointed out that the Parish Council no longer receives notice of enforcement actions. Clerk to contact Cllr Sarah Wakefield to request that SC reinstate notifications
Freedom of Information Request (FOI) submitted to SC to establish what communication there had been between SC and Taylor Wimpey, reference "Taunton Garden Village". Response not received within stated timeframe, so Parish Council will lodge complaint to Information Commissioner's Office (ICO). Similarly, FOI submitted by Chair reference "call for sites" results has been refused. Chair will complain to ICO.
